

Vivens par Chateau Durfort-Vivens

2007 Posted on 17 October 2012.

Gary Walsh Winefront www.winefront.com.au

The second wine of Margux second growth, Dufort-Vivens. Importer: Discover Vin

Leaf and mint, pencil, black fruit and a touch of caramel. Medium bodied, showing some bottle developed complexity, fresh acidity and firmish gravelly tannin. Not deep but a good drink – you know, a pleasant claret and all that. Liked it.
